Profile Name: Home Of London Escorts-Agency Barracuda

The Premises:

Very small bedroom with the smallest ensuite I've ever seen. Clean. Very noisy with open window facing Sussex Gardens

The Lady:

Russian girl, late 20's - early 30's. Pictures are not accurate - she is at least 10 years older in real life. I hate Photoshop!

The Story:

Had good experience with this agency before however this one is rather dissapointed. I should have left at the beginning when she met me at the door & I've realised that her pics been really photoshoped. Yes, she is defenately the girl from the pics but just 10-15 years older. Maybe she was not bad when she were 18 however now she looks rather tired.

Decided to stay, took shower, we had a bit of chat. She is not bad girl to chat however I came there not for conversation.

Had to ask her to proceed, condom on (she does oral without but I've decided not to risk) and gave me oral. Technique is rather mechanical. Finished from oral after 10 minutes, went to shower, we have chatted another 15 minutes & I left.

Not 150/hour girl at all, rather cheap Soho walk up.

Rather dissapointing experience. Or maybe I got used to higher quility & much better looking girls. Can't recommmend, don't waste your time & money guys.
