### The Premises:

Top floor studio in mansion house. Not the best flat, slightly grubby bathroom.

### The Lady:

As in photos. Busty and a beautiful smile.

### The Story:

She welcomed me into the apartment. Her smile is incredible. I had a quick shower and then it was down to business. Her OWO was fantastic, after which I offered to return the favour. Unfortunately she didn't smell too fresh down there, which put me off. This was followed by mish. Generally a good punt, but the smell really put me off.
