The Premises:

Very nice place in a very quiet suburb to the south of Manchester. Lovely amenities, including a jacuzzi.

The Lady:

Early 20s, slim, dark blonde/brown hair. Looked lovely in a corset and fishnets.

The Story:

Having been disappointed earlier in the day, I went elsewhere to find some fun. Elisha certainly looked the part and was friendly enough to talk to.

But we didn't seem to connect at all. She seemed happy to lie back and let me at her, but wasn't up for kissing or fingering or cowgirl. Due to being wound up earlier, I was hoping for some pampering and I didn't find it here.

In the end I left after about 35 minutes, having paid for an hour. Nice enough lady, but not quite my cup of tea I'm afraid.
