The Premises:

Victoria's house is undergoing some work, however, the master bedroom and bathroom are completed and to a very high standard. Opposite the end of the bed is a wall of mirrors, ceiling fan to cool thing off and all done in a relaxing shade of purple/lavender. The house is in a cul de sac with easy and discreet parking and easy to find.

The Lady:

Victoria, like her house is undergoing some work, in that she has lost a considerable amount of weight and looks very good for it, whilst still being an enjoyable size 14/16. She greeted me at the door with a kiss dressed in a red top and black skirt, stockings (I found out later) and high heels.

The Story:

Victoria has the ability to put you at your ease very quickly, and we were soon wrapped together for a long slow sensous kissing and cuddling session that I just love. Beyond this there was oral both ways which Victoria really enjoys, as do I, and much foreplay before the main event. Then a relaxing soft drink and more chatting before round two. In short Victoria is a fantastic lady to be with, chatty, sensual, wonderful foreplay, which is worth the fee in itself. Highly recommended guy's & I will be back. Please treat her well and you will be rewarded ten fold. Thanks again Victoria see you soon.XX
