The Story:

It was my 1st time in a party of this sort. I had wanted to attend on tuesday, but I change my mind and went to see an escort instead. I was too nervous and also wanted to attend when Nicole will be prosent. I liked her pic on the website. I finally overcame my nerve (even though Lady M did mention that I sounded nervous on the phone) and went today. The 5 girls are all beautiful in their special way. There is something for all taste. I am not a fan of girls over size 10, but when I saw Barbara, I wanted her straight up. She is dress size 12/14, but with a difference. There is no ounce of fat in her body, she is just well toned with a beautiful face. Infact, I had to look at her face and fondle her ass to be able to cum while shagging Nicole. Alysia is the one not to be missed. I believe she is the youngest (about 19) and fit. I managed to cum 3 times in 2 hrs.

IMHO, it was far better than I expected. At a point I had 3 girls attending to me alone. I cannot write everything that went on, but I can say that all the girls are geniunely happy and enjoy their job.

I will attend another line-up to see the calibre of girls, but todays line-up was just superb. If any party organiser can beat that, then they will be using super models, in which case, I will have to attend.

Thanks Lady M and the girls. See you soon.
