Early twenties, slim, long dark hair, very pretty face with dark sexy eyes. She has a wicked & sexy look.

The Story:

I felt an erection coming on as soon as I set eyes on this vivacious young girl and knew I was in for some fun and games. She is friendly, chatty and very dirty minded. She wore provocative lingerie and I simply couldn't wait to get my hands on her desirable young body. We french kissed and she quickly stripped and started sucking my rigid cock. Gemma talked about what she would do to me next time. She promised to fuck me up the arse with a strapon (her words) and also to dress up as a schoolgirl. All this really got me going and she was soon crouching over me & fucking me while playing with my nipples. I asked to come over her pretty face but she said that her false eyelashes prevented that but would her tits do? So I came over them instead while she played with herself and looked incredibly sexy. This girl really turns me on & I will certainly be back. Thank you Swindonlad for recommending Gemma and thank you Gemma for being such a gem!
