The Story:

Mei is from Thailand and doesn't speak English that well, so if a bit of a chat is vital I don't think she'll be your type. She started off with a massage to my back and then worked her way down. I have to say it was a bit disappointing. You know how some women can almost send an electric shock down your system with just a touch, Mei can't. It was fairly mediocre. Then oral was with condom, and just like one previous reporter I found it difficult to complete the job. Don't know why; perhaps it's me. Mei is up against some very strong competition at City and for that reason alone I personally will prefer one of them next time.
