The Premises:

On a busy road and felt quite exposed ! But flat was nice and tidy.

The Lady:

Would say Lera was 28 years old about 5ft 7in tall with an outstanding body toned body and a lovely peach arse . Not as good looking as photo but close enough.

The Story:

Even though i enjoyed my time with Lera because she really looks fantastic in a mini-skirt with her long legs and perfect arse ! But she doesnt do what we have all come to expect from EE girls nowadays , which is BBBJ and DFK which all makes the perfect GFE . Oral is covered and she only kisses lightly , which is a shame because she could be one of the best out there !! Her work rate is excellent and energetic on COWGIRL , MISH and DOGGY but you need to slow her down and take control as she will rush each position . Responds well to reverse oral , had her writhing on the bed to climax . If you like covered oral with light kisses and a great body then she is the girl for you !! but for me there is better Girls , however if she changed her mind and her reviews Stated She does , i would be the first Knocking at her door .
