The Premises:

Her apartment close to Leicester Square. Bit difficult to find at first but soon managed to track it down with the help of one of the locals from China Town. Apartment was clean her bathroom was a typical girlie one perfumes and cosmetics everywhere even in the toilet!!

The Lady:

Slim gorgeous blonde, 23 years old C cup breasts I think. (not good at judging a woman's breast size)!!

The Story:

Wont go into much detail about what we did but Abbie is a great person to be with. She knows how to please a man, seems to enjoy what she does. Guys please look after her. Will be back to see her again. Maybe a natural replacement for Amy at Maxes who sadly announced her retirement last week.
