### The Premises:

As prev reported, pretty grim on the inside, fine on the outside. Looks quite safe, just a bit odd really. Back entrance leads straight to her little bedsit on groundfloor. And yes it is like a pigs den, but that isnt too much of a problem. My first punt in the UK outside London for donkeys years.

### The Lady:

Well, not the best looking. In fact, shes pretty grim. A sexy voice, and very friendly, early 40s?, but overweight and a bit over the hill. Not way would i shag her, so i just opted for a bj (owo) as pre reports suggested this was worth going for. And yes it was. Good deep throat bj, no rush, lots of dirty chat, good stuff really. She swallowed every last drop of spunk.

### The Story:

Thats it really! A good bj, had to close my eyes and pretend it was someone else, but she did the trick. Wipes on hand for me and off i trot! Wouldnt go back, but i guess for a cheap bj its fine!!
