The Lady:

Young english girl, small and very smooth skinned. A bit reserved, but not disinterested.

The Story:

Welcomed by Debbie as maid, and we shared some saucy banta and cuddles and a little groping, but had come to see Natasha who is a very attractive young girl, with very nice smooth white skin. She is fairly small but has very attractive curves which she likes to share. Her breasts are natural and with lovely nipples, but I spent more time visiting lower down and she seemed to enjoy that. I particularly liked her pretty arse, but then pretty bums are always a turn on for me. She then returned the favour to JT, covered of course, then we fucked briefly, but I was too excited and it could not last. Cooled off with some more unhurried pussy play before I had to leave to catch my train. Many thanks. I will be back to Debbies, but probably to see Lucy again or maybe Debbie.
