The Premises:

A clean flat over a barbers. Close to Waddon Station. No immediate cameras nearby but one on the nearby street.

The Lady:

Amber is in her late 20s and black/mixed. She is a size 12ish or more and medium height. Shoulder length hair with highlights. Larger than my normal choice of girl so I was a little apprehensive.

The Story:

I had enquired on the phone if Amber did OWO and was told that she did and specialized in deep-throat and would take me all the way!

Well, this got me hot footing it down there!

Amber quickly had us both undressed and was soon doing her best to take me all in her mouth (I was only interested in oral today) while I was free to pleasure her- she could have done with a shave though as her stubble was quite irritating.

Her technique was stunning and she was enthusiastic to say the least to the point of gagging a couple of times. She told me she was determined to take me all the way (she failed on this by the way but not for want of trying!). Eventually I came in her mouth which she chose not to swallow (can't have it all!).

Certainly an establishment I'd re-visit (if I'm ever in the area again) if Ambers enthusiasm is anything to go by.
