The Story:

I was met at the door by the very lovely Robyn who looks stunning as usual and it's a shame she decided to retire, Robyn showed me to a room where I waited for a couple of minutes before Charlize entered looking very hot in a little black dress and high heels. I thought initially that I had asked for a secretary look but wow does she look good or what, we went to another up stairs flat in the same complex where I had the pleasure of following behind Charlize watching those gorgeous legs and bum walk up the stairs.

Once in the bedroom Charlize disappeared to get changed, which I didn't think she needed to as she looked great as she was. How wrong I was, Charlize came back in the room wearing a tight short skirt, white blouse, black hold ups, a matching very small g string and bra and high heels, a picture of what a secretary should look like. Charlize kisses with passion and enjoys reverse oral, she really is a girl to look after. I will definitely be coming back to see her again and the very lovely Honey, also got my fingers crossed that Robyn will make a return soon.

Charlize, thank you xx
