The Premises:

The Head Office is excellent and I really don't like to leave bad reports for it. Normally great value in the best establishment.

The Lady:

Attractive as per web site.

The Story:

Started off pleasant enough, but after about ten minutes it was hurried along to a rushed short finish.

If you're in a rush, then this might be the girl for you, but if you want a enjoyable relaxed thirty minutes then forget it.

I'm still feeling disapointed the next day.
