The Story:

trisha is now know as patricia (www.patriciabbw.co.uk).having seen patricia before i knew i would not be disappointed,I was greeted by a hug and a kiss which just melts away any nerves and if your not already stiff you soon will be.Patricia laid me on the bed on my stomach and started a short massage which soon led to her rimming me which felt fantastic,next came a bbbj which was incredable, i didn't want to cum to soon so asked her if i could go down on her (what a stupid question!)If your into pussy licking then this is the women to be with,she has the juicest wettest pussy and came 7 times.she made me cum twice while i was there both mind blowing. Patricia also has a great personality and laid naked next to her just chatting is really relaxing. If you want a curvy sexy woman who knows just how to please then give her a call you wont be disappointed.
