### The Premises:

Very nice flat in Bayswater

### The Lady:

Ok looking, not like the airbrushed picture on the website.

### The Story:

Gentlemen, do NOT make the mistake of selecting this woman and parting with your hard earned money. I had an absolutely terrible punt. It was all going well with the flat in a very nice part of Paddington, and when I saw her I was a little disappointed. She has a face full of freckles that have been airbrushed out, and she is in serious need of an orthodontist. Then off came her clothes, she gave me a BBBJ for a minute, then put on a condom and carried on. Completely emotionless. Then she mounted me and rode it for a while. I flipped her over and finished mish. After clean-up, she disappeared for 10 minutes. Came back with a towel on, refused to take it off. She lay motionless on the bed next to me. I tried to start a conversation but she didnt really respond. Then she disappeared again! Came back after 5 minutes. I tried to touch her again, but the damn towel didnt come off. I got fed up and left after half an hour.

What a complete and utter waste of money. I am disappointed with 90 minute, and this girl does not meet their usual high standard. Please get rid of this girl.
