The Premises:

Very clean and well described in the other reports, great shower and lovely round bed. Very safe with a discrete rear door.

The Lady:

Blonde. Attractive. 5' 8" in her heels, slim with wonderful breasts and a great arse. About 30. Czech lady who definitely enjoys her work and doesn't time watch.

The Story:

This is my 3rd visit to Debbies and my first with Nina - it was worth the effort. She is very friendly and when you complete the paperwork she has a quick grope to test the goods.

She undresses you and then teases your body before taking you to the shower for a fantastic shower with her - her hands go everywhere - very enjoyable.

Back in the room she dries you off and then gives you a firm but sensual massage. On with the overcoat and she then displays what she clearly enjoys and excels in! I performed my tongue technique which was just a little too exciting for her and she had to rest before we continued. After my climax she cleaned me up and joined me in the shower for another bout of roving hands.

All in all - a great punt and I'll be back to see Nina and all her friends.

Keep up the good work Debbie.
