The Premises:

Small house. A short walk from Surbiton station. Discreet, clean, well decorated. Safe at this time of day. Usually one girl working per day. Appointments can be booked in advance, but are not required. Very friendly and attractive maid.

The Lady:

Very attractive European girl, mid 20s, Tall, long straight blonde hair, curvy body with large natural boobs. Very friendly. Speaks basic English.

The Story:

I decided to go to this establishment which I had visited once before, after I had been informed that the girl I had planned to see at another parlour would not be available. I expected to see Jenny, but when I arrived I was told that Jenny would be late and that Annabelle was already in the house. I had seen the photos on the website, and I agreed to see Annabelle. I had a short wait in the bedroom before Annabelle entered the room. I agreed to have the hour service to include French kissing, reverse oral and OWO. Annabelle did not offer the customary massage, but we went straight into foreplay, with plenty of kissing. She is a very good kisser. We had a long session of reverse oral and then some good OWO with ball licking. Sex was cowgirl, doggie, mish and spoons. Her pussy felt very good. Annabelle was very enthusiastic and seemed to be enjoying herself, and she was very liberal with her wonderful kissing. We ended with a successful handjob.

There is an unfortunate aspect to this punt. When I discussed with Annabelle what service I wanted, she said that the price was 160. I had previously paid 150 a few weeks before. She said the prices had gone up and I agreed to pay. The next day I was looking at the British Babes website and I noticed that it said 'Prices range from ?60 through to ?150 per hour?'. I phoned and spoke to the maid who told me that the prices had not gone up. She asked me to phone back later, which I did. She then offered me a discount on my next visit. I would recommend Annabelle based on her performance on the bed.

I recommend British Babes for their excellent customer service.

If you can no longer find Annabelle at British Babes, you may find her somewhere in High Wycombe, or at a well known West London parlour where you could expect to have a passionate

encounter :-).
