The Premises:

I like the idea of the up front massage parlour. It brings it onto the street and makes everyone professional

The Lady:

Donna is a fit early 30's blonde lady. Petit with great boobs that might be a bit fake ! but are perfect.

The Story:

A great time was had by all ! We had a real laugh with the soap suds massage and I would highly recommend it for a fun hour. Services were then explained and I chose from the menu. Sex was a bit regimented to begin with but it was a really fun hour and I will visit again.
