The Premises:

nice clean modern apartment

The Lady:

very sexy brazilian girl, pictures are surprisingly accurate.
firm, natural 34d breasts, and soft skin, and a nice figure, not too tall.
she is genuinely pretty..

The Story:

opened the door casually dressed, jeans and top
nice flat, led me to the bedroom.
sorted out finances, and we both got naked.
her breast are fantastic and suckable, so i spent some time on top of her sucking her tits, and
slapping my hard cock against her tits.
to make things better she gently rubbed some of my pre-cum on her fingers and applied it on her
nipples, and licked her fingers.

so following her lead i turned over and she started giving me owo.
nice and deep. asked her if it was ok to cum on her lips as i like to do this..she said ok. so i pulled
out of her warm mouth just befor i came, and and sprayed it on her mouth and face.

it was a beautiful sight to see those white dripping pearls on her cheeks. she licked her lips, and
was expecting her to go clean up. instead she asked me if i wanted to lick her face!
never tasted my own cum before, but what the heck..so i kissed her cheeks and licked of my own
warm jizm.

round 2, we lay there on the bed, with her hand clasping my flaccid cock, talked a bit bout where
she was from etc.
started getting hard again, so she gave me a quick owo to really harden me up. then at my request
we started 69ing.
she was clean shaven below, smelt nice, and had nice clit..

dont normally lick down there, unless its really good, which it was this time..
didnt want to come in her mouth again, so on with a condom, and started fucking with her on top.
she was refreshingly tight. turned around for some doggy, and started pounding away.
for a change it was very hot in her flat, and we were both slightly sweaty which turned me on even more, as i slapped myself back and forth against her moist behind.
after a nice amount of effort i came with a big sigh..

lay there on the bed a bit more afterwards, didnt think i would cum a third time, so talked a bit more, and left a very satisfied man
