The Premises:

As outlined in many previous reports, this place is messy. How clean it is, is difficult to say as it was dark with the curtains shut.

However, it's doesn't smell - which is a good sign! It's very easy to find from the station.

The Lady:

Cathy is around 40 plus I would say. Large, dyed blonde, and while not an attractive face, not unattractive either.

The Story:

I fancied a different experience, so as I was on a day trip to Norwich, thought I would give this a try. I only ever intended to go for the famous uncovered blow job. Cathy is very friendly and welcoming. Once inside, its straight down to business. I took off my coat and tshirt, and pulled down my trousers and pants. While sitting on the sofa, Cathy put on a sex DVD, and gave me a good stroke. Just before she was about to start on the oral, she said you just lie back and enjoy it, which I thought was a nice touch. And yes, the reports are true. She is amazing at this. As her tongue got to work, it brings waves of pleasure.

Cathy is great at working up to a climax. Some rubbing and then back inside the mouth. And as I was getting ready to shoot, she then sucks really deep, and swallows the lot.

What to make of this? Cathy is very friendly, and is superb at what she does. So, yes its bargain basement, but it literally hits the spot.

As I enjoyed Norwich itself, I anticipate making a return trip
