The Premises:

Apartment in a block which stands in the Gloucester Road, South Kens area. The reception area of the block is quite grand and manned by a security guard. Was asked to fill in the register with my name and the flat I was going to.

They obviously know what you're there for and in my many years of punting I've seen more than a few wg's here.

The Lady:

Pictures are airbrushed. Freckly faced teenager who could easily pass as West European/English Essex girl type rather than from the Eastern bloc had it not been for her accent. Quite pretty and a large bust. However, she has put on some weight since the pictures were taken.

The Story:

Gave a good bbj to CIM and then went to the bathroom for a wash. Just sat on the bed for a while and probably wouldn't have initiated a second round, preferring to chat, had I not asked for it.

Her English is ok though she has a stutter.

Got myself hard and then played with her boobs before asking for a condom. Shagged in mish and then doggy before coming again.

No complaints but she is a clock watcher.

Wouldn't return as she's not as fit as portrayed in the pics. Nevertheless she is quite busty and if you prefer a voluptuous woman you may wish to give her a go.

Gets a 6/10 for looks and same for service.
