The Premises:

Dianna visited me at my Hotel.

The Lady:

Dianna is a stunning lady. Classy, charming and with a personality that put me at ease straight away. Her pictures whilst they are good, genuinely do not do her justice. She has fantastically thick, long, dark hair and an amazing figure (just see her web site for more details) but there is more - the one thing that a web site could never truly convey is her eyes - simply stunning.

The Story:

As you would expect, I am not going to go in to great detail about our private time together but I will say that some of Dianna's favourite things just happen to coincide with being some of mine. Dianna is fun, exciting and very sexy, she seemed to genuinely enjoy this part of the evening as much as I did.

One thing about this amazing lady is that there was no need for me to worry about how to move on to the more personal part of the date, getting to know Dianna is a real pleasure all its own and she is fantastic company but I think she could tell I was a bit nervous and she eased me gently into the more intimate time.

This lady is someone I will be visiting again and soon. I know she is fairly strict when it comes to who she will see - so I am delighted to have been one of the lucky ones.

All in all a very special evening!!
