Profile Name: Amanda Sutton In Ashfield

Phone: 07763363747

The Premises:

A clean flat up a metal staircase just off the main street. Totally safe in the daytime and plenty of on street parking. Nice and clean flat with a double bed and a 2 mirrored walls.

The Lady:

Anna is an attractive, very slim late 30's woman, small tits, shoulder length dark hair and a pretty face. Dressed in black underwear and a short black dress over them.

The Story:

Inviting me in we discussed what I wanted and then as I stripped off she came over and passionately kissed me before almost ripping off my pants to gorge on my by now hard cock. Amanda then got me to lie down on the bed and she proceeded to massage me and then rim me from behind. this was an amazing sensation - she then got me to turn over and we indulged in mutual oral, anal probing and rimming, culminating in her cumming, gripping my head tightly between her legs, her pussy lips twitching as she orgasmed.

After she'd recovered we carried on with a bout of face sitting - delicious - and then on with the condom for a few minutes of sex. Despite her length of time in this line of work Amanda still has a very tight pussy and I soon had to stop before it was all over.

One of my 'likes' is snowballing and Amanda was up for this so I withdrew and Amanda took off the condom and went hell for leather at my cock. It didn't take long for me to spurt my load into her mouth and she milked every last drop and then with some dribbling out of the corner of her mouth she proceeded to kiss me and pass it all over to me.

All in all an excellent session and it can be quite amazing the difference between a good and a poor punt so a thumbs up for Amanda and i'll be back to see her again soon.
