The Premises:

Luxury Hotel in Knightsbridge - very nice with some great large mirrors to add to the PSE experience. Plenty to drink and eat on offer.

The Lady:

Estelle is a gorgeous girl with pretty face and stunning figure. Her bod is super fit, without an ounce of fat yet she still has a super cute pert ass. Her tits are enhanced but well done and complete the porn star package.

The Story:

This is not the first time I've been with a working girl however it's the first time it's been good enough to be worth writing about. Most people talk about either GFE or PSE and Estelle is the ultimate PSE however she combines it with a such a sweet personality that it really does feel like you're having it with your own girlfriend.

The fun starts pretty quickly and it's soon apparent that Estelle is a bit of a nymphomaniac. I get the sense that unlike lots of girls, even those who put out a great service, Estelle genuinely loves fucking and being fucked any which way your filthy mind can come up with!

She has a great range of clothes which seem to range from sexy through to outright kinky, and her extensive selection of toys must raise eyebrows with the hotel housekeeping staff.

My time with her flew past in a flurry of positions and activities, starting out with her alternating between some superb deepthroat action and some awesome rimming. This culminated in me shooting my first load down her throat, the best thing though is the way Estelle kept sucking and swallowing. The orgasm was intense and seemed to go on forever.

There was little time for a rest as Estelle quickly got back into my ass with her tongue and soon had me hard again. This time I felt it was my turn to give Estelle some pleasure, which for her involves using a range of enormous dildos in her pussy and ass and a first for me- Fisting! Boy does this girl love it and I had to cover her mouth to hide the screaming when she came... I'm pretty sure most of the floor of the hotel and the street outside must have heard. This round then culminated in me screwing her ass whilst simultaneously ramming a huge metal dildo in her pussy. No matter how hard you give it this girl wants more but throughout all this however there are lots of nice kisses and touches which makes it feel like more than just a scene from a porno. We finished by sharing a shower and then off I went.

Estelle is a very likeable girl who is fun and chatty but not so much that it wastes time better spent fucking. She is very attractive with a body made for sex and she has a filthy mind which has limits way beyond mine! I will definitely be making a return visit and would recommend her to anyone.
