The Lady:

Not lady on website. photos are of a white girl, lady I saw was most definately black. However I was not dissappointed. Kelly? is very attractive sexy eyes, bj lips a nice bum and lovely natural breasts. Also very charming

The Story:

Apart from not being who I had expected the most suprising thing was that the BJ was covered?! Not what I expected. Her pussy tasted so good and I soon had her cumming. Some 69 and cowgirl followed with those lovely large breasts bouncing around. Used 2 of my fingers to locate her G SPOT. When she came she was shaking,gasping,her eyes nearly popped out of her head and her pussy flooded my hand. WOW.Ater she had calmed down I continued to assault her pussy with my tongue,fingers and a vibe. She finished me off with a handjob which I could have done myself! I think she definately got more out of this than I did.
