Jackie is thirty something brunette with a few tattoos on torso. Short and slim with nice boobs.

The Story:

Nice little session. At 40 quid with OWO included you can't go wrong.

Had the room by reception downstairs. Jackie came in fairly quickly and had a massage to start with. Nice enough but let's get on with things.

Turned over and she got my cock in her gob. She's got a dry mouth (???) so greased me up a little to help lubricate the action. Not the greatest blow job as she struggled to get my girth in her tiny mouth, so ended up doing lots of little licks and sucking the head. Nice enough feeling though. Rubbed her clit as she sucked me and I believe I made her come. Well, she did all the things you'd expect. Was it real, no idea.

Then after not having had a real mouth penetration onto some fucking. She got on top first and bounced around a bit, no kissing on this punt either. Again she came - hmmm. Then onto some doggie and banged away from behind with her cute arse bouncing around. She came again - yawn. Anyway, I did then shoot my load, her pussy was tight enough and you never know, maybe she is multi orgasmic.
