The Premises:

Although moving soon to Knightsbridge, the flat I saw her in was the same one as I saw Nicole in: nice and clean in an incredible location about 10 mins pleasant walk from Sloane Square tube. Plenty of empty pay-and-display nearby. A thoroughly safe part of town at any time. Entrance on a busy road but very little foot traffic at this time of day.

The Lady:

She is most definitely the girl in the pictures and to my eyes, just as beautiful and sexy. Russian, mid twenties, 5'6", long brunette hair, lovely skin, fabulous bum, sexy heavy-lidded eyes, slim, small breasts with hard nipples. I first visited Kathrine earlier in the year just before she returned to Russia. I was very pleased to see her back on the books of various agencies despite the price hike from ?150 to ?180.

The Story:

Kathrine greeted me looking elegantly sexy in black heels, black hold-ups, black thong, and lacy black bra/top. I was given a clean towel and made use of the excellent shower. Returning to the bedroom I found her reclining on the bed smiling and looking most inviting.

She stood, we embraced, some light kissing, caressing etc. I spent a long time on my knees administering a thorough licking of her delicious (and hair-free) pussy and perfect arse, which she seemed to appreciate. Kathrine has beautiful pussy lips which hang down about half an inch with perfect symmetry - truly a pussy to lose yourself in. We moved onto the bed for more reverse oral in various positions.

Eventually I surfaced and was rewarded with deeper kissing and a very pleasant period of OWO, which included ball-sucking on request. The OWO was not the deepest, but the suction was excellent.

The condom went on and Kathrine, on her back, spread herself wide for me. I could not resist another short spell of reverse oral before entering her. We had a slow, intense shag in missionary which soon overwhelmed me and I came most gratifyingly inside her.

I had a very sexy, sensual, and lustful GFE - totally satisfying. This woman really turns me on and I would return if the rate was still ?150. However, at ?180 she's over my limit and I doubt I will back a third time.
