The Premises:

The location is very discreet and once inside it is very clean and spacious.

The Lady:

Sabrina is a petite and busty Indian girl. She looked great in black lingere and I particularly loved the black hold up stockings.

The Story:

I opted for a massage and hand relief because I really wanted to savour her lovely D cup breasts. I wasn't hurried and would definitely consider a longer return visit. Sabrina is very friendly and this makes such a big difference. I've always been a big fan of Indian girls and this is such a good location for like minded men.
