The Story:

On arrival I was welcomed and we soon chatting away like old friends.

Had time for a lap dance which certainly had me hot under the collar.

Into the bed room and got down to the action .

She sucks very nicely and is good with hands and mouth.

Started with doggy which had us both excited and then onto her back and legs on shoulders for the finish.

She is very good at sex and a joy to be with.

Very good value indeed.
