The Lady:

similar to pics on website a bit chubbier maybe. nice tan and legs. very nice breasts. she is also known as Francis at Babylon

The Story:

very disappointed. she thinks she's god's gift - definitely has an attitude problem. sex was mechanical - asked for her present rudely and then went through the motions. i have to say she has nice breasts but nothing else. after 35mins we'd finished and she got dressed - and demanded taxi fare. i'd paid for an hour - i expect an hour - but with her attitude i was pleased to see her go - not even a goodbye. i can't imagine this girl gets any repeat clients. she certainly doesn't seem to enjoy her work. don't bother with her - there's plenty more nicer girls out there who at least put a bit more effort.
