The Premises:

Debbies Massage is well documented on these pages. Nothing further to add other than the addition of a circular bed earlier this year is great fun!

The Lady:

Just as the website says, she is a mature 34, 34C 34..... bombshell

The Story:

I went for the House Special which includes a shower, Oral with and sex. Jenny seems to use this as a guideline rather than a list to tick off. I got everything on the list, a few good laughs, loads of encouraging noises and complimentary remarks, and a performance which made me feel like a pornstar.

I did not catch the time when we started and stopped but it was well in excess of 40 minutes.

There is no need to go through the nitty gritty as I am sure it would be different next time and different again for others but suffice to say this lady loves her job and wants you to leave with empty balls and a smile on your face, I did.
