The Lady:

Mid-late twenties, good looking, fab body, fab skin, pretty fucking fab all over really!

The Story:

Phoned EEA when I arrived in B/ham and spoke to 'Sophie'(the fixer), told her what I was looking for, Sophie listened, understood and made things really easy for me, she suggested Mya. I'd like to meet Sophie!

Mya arrived on time and looking great, almost immediately making me feel comfortable with her. She kisses, caresses, touches and does everything including an excellent massage with feeling and passion.

I'll leave the sexual details, fantasies, sworded descriptions to the blokes that get off on writing about it.

What I will say is this, if your looking for an exceptional and real GFE (and many of you are) you wont go far wrong with Mya.

However, If you're the sort of chap that is liable to fall in love with a working girl (which I'm not....well only once), then beware!

She really is lovely.

Doubt if I'll see her again though..... just in case!
