The Lady:

Emma is young, tall, slim and beautiful, I found her attractive on the website but the photos don't do her justice and she is far better in the flesh.

The Story:

Emma is rare in the fact that I didn't feel like I was getting a service but I was with a girl who wanted to be with me as much as I wanted to be with her. Lots of french kissing, uncovered blowjob to completion and then into her soaking wet pussy for a second round after she got me ready again. Emma went out of her way to make me feel special, and did far more to please than girls who cost double the price. This was by far the best experience i've had yet not just with an escort but with a sex partner in general.
