The Lady:

I did some research before going to meet her i as liked her in the pictures on the agency website and was concerned by a previous report saying it was not the same girl. Decided to go and see her anyway as really fancied her in the pictures! Not sure what tribertuz is going on about as she was exactly like her pictures on the website, if not a bit better! She is slim, with nice eyes but best of all her sexy bottom!

The Story:

Had an hour of great fun! It is amazing how quickly it passes and next time i shall definitely be looking to book for longer! Had amazing bbbj but also wanted to have sex with her and my stamina is not what it used to be so didn't want to cim. Sex was even better. Then spent time chatting before she went down again and this time i was delighted to cim! Felt like i was floating on air after my visit. A really great girl and one i would definitely recommend and will be back to see again for sure.
