Just a few moments from either Covent Garden or Leicester Square tube stations. Easy to find from the main road and up a flight of stairs.

The Lady:

Only one way to describe Sonia and that is Wow. Mid 20?s Indian girl, around 5?6? tall with long hair. Quite busty with a 34d figure, fair complexion with a radiating smile.

The Story:

My first time to this parlour and my first time with Sonia. She sometimes works in other flats in London and on different days and I can?t believe I?ve never seen her before. I actually came down following a recommendation from a friend and I?m glad I did. Very friendly and really knows how to put someone at ease. No need to go into detail but she provides a good service, nice back massage followed by nice slow oral. Not really a GFE experience if that?s what you?re looking for but I?m sure she can accommodate if that?s what you are after.

I enjoyed our first session so much that I booked a second session later in the day for 7pm. Again being popular like she is i wasn?t seen until 7:30 and again stayed for an hour. Again another terrific session and I will be back again.
