The Premises:

Described accurately in most FR's. See my previous report 75972, this time I got a bigger room, although not very large, much better than the box room.

The Lady:

See her pictures on the web site. She is as good if not better looking. Well done to the head office, however I see they still have the pictures for Denise on their web site that are still not accurate, but that is not important here, Tiffany is a real gem.

The Story:

When I arrived I was told there were three ladies, but only two available. Tiffany and I think Amanda. I chose Tiffany and I am glad that I did.

Most men that post FR's here are not rich and usually have to travel some distance to go somewhere where they are anonymous, so it is important that we get a good service and even more important that we get the service we went looking for. Money back guarantee does not come in this line of business.

As for me that means a GFE experience. That implies she kiss's, snogs, hugs as well as shags. And that is basically what I got from Tiffany. A true British babe, nice to chat with, one that I will see again.
