The Lady:

Early twenties and some would say thin but i like that with almost black shoulder length hair tied in a ponytail. Opened the door in very sexy and provocative black underwear and led me up the stairs giving a long and wonderful look at her long legs and tight arse.

The Story:

i was told on the phone A levels were available but when she saw me it wasnt possible as it was to her discretion and i might hurt her. Fair do's so i said for the same money CIM and swallow?. to this she agreed and of we went. A rather lacklustre massage ended in ball tickling which did the job and her OWO was sublime. every position i asked for I got and her arse tasted wonderful. No worries about fingering her at all, she thrived on it. Sex was in a couple of positions ending with her kneeling on the floor taking my cum in her mouth, showing it to me, then swallowing it all. I hope that next time she will have a schoolgirls uniform. It will fulfill my ultimate fantasy.
