A beautiful curvy black girl with fabulous tits, a great ass and the sweetest tasting pussy I've ever had the pleasure to lick

The Story:

Seen Lexus a couple of times before and found myself in the area.

Found the place very easily and was warmly welcomed with a long lingering snog, a glass of wine and an invitation to a soapy shower together.

Stripped off and we soaped each other all over and it wasn't long before she dropped to her knees and began to suck me off.

Her blow-jobs are just awesome - she licks up and down, licks all over your balls and rolls her tongue around your knob that leaves you with knees trembling.

Could feel the cum rising so suggested we dry off and give that pussy a good licking - in no time I had my face buried in her wet slit and was giving her a good licking - slid a couple of fingers in and gave her a deep finger-fucking that with my tongue deep inside soon had her gasping and bucking her hips as she came.....

I was on the brink myself so she had me on the bed on my knees and sucked me off until I exploded in her mouth and she licked her lips and swallowed the lot with a very naughty look on her face.

Quick break then more licking and fingering - wanted that fantastic ass in my face so we rolled over for a 69 that was just fantastic as I tongued her pussy and asshole.....which she really enjoyed.

On with the condom and she climbed on top - and proceeded to fuck my brains out - the sight of her bouncing up and down on my cock with her tits in my face was just amazing.

We switched to doggy which I know she loves so gave her a good pounding while slapping her arse.....pulled out and shot my spunk all over her tits and neck and she licked the rest of the cum off my cock.

Thought that was me for the day but no - she managed to get another hard-on out of me with licking

and gently fingering my ass - was fairly spent so we ended up doing it sideways which is maximum effect for minimum effort building up to both of us coming.....and after all this we both fell sound asleep.

A quick brush up and stagged out in to the daylight with the knees trembling the whole way home.

A truly fantastic experience with an exeptional girl.
