The Story:

what a great way to have your first punt. I came 3 times in the hour and estelle did everything from deepthroat bbbj to anal. a previous punter said "she doesnt have the word no in vocabulary" he was definetly right.

in the hour we spent together she gave me a great deepthroat bbbj and she swallowed the whole lot. Then after 10 minutes of recovery she had my cock in her mouth again and she also gave my arse a good rimming. she then pulled out a whole load of toys from under the pillow and she started using a massive dildo which looked bicycle pump. she then mounted on top of me which was a great sight watching her pussy go up and down my cock. we had sex and anal in a variety of positions and i must admit shes got one hell of a filthy mind. it felt like i was in a porno

all in all i had a fab time with estelle and when we did talk she was very friendly and nice to talk to. she is definetly one of those persons who really enjoys and gives 100% in her job. i will be seeing her again very soon
