### The Story:

Not usually the age type i go for,but being 3rd in door that morning and a few girls late starting i picked the best of the bunch.nice enough and pleasant female,fit body for her age.missed out on massage,started with some kissing ,then fingering her,she started to go down but i got the idea oral was not going to happen,she just played with my cock over her nipples and she just seemed eager to jump on me.pretty much over sooner than later as she was pickin up the pace and really grindin in to me.fun though!!!
