The Premises:

Clean and tidy parlor. Safe and secluded entrance off main road. Visited many times. Great for meeting pretty girls and for quick bit of playtime in the day. Always enjoyed it although sometimes not enough playtime.

The Lady:

Tall very pretty and great boobs. Great personality and put me at ease very quickly. Nice to talk to.

The Story:

Arrived and was warmly greeted and taken to one of the two rooms. Dealt with the cash and left to get undressed. I stripped off and waited for her to return so I could slowly undress her. She obliged and I stood behind her caressing her lovely body and removed her bra and held her boobs in my hand. They felt fantastic and I started to get aroused. This was helped by her reaching behind her and holding me in her hand gently teasing me. Then it was off with her panties and I was asked to lie on the bed face down. There followed a fantastic massage with Latisha running her fingers up and down the inside of my legs touching my balls which are clean shaven. It felt great and I was now very aroused. I turned over and was given a wonderful covered oral taking it all in her mouth. I was close to cumming so we changed positions and I was able to give her a massage which only got me more excited. It was time to finish and decided on more oral. She took me slowly in her mouth and then teased the top finally bringing me off with much noise from me. It was great. I will be back for some more one Saturday.
