The Story:

Well following on from the rampant Karina in August, who has unfortunately now disappeared, this was my second truly great punt running in London with a EE girl.

So yah boo to those who reckon I never have any good punts! Excellent gfe with a pretty girl with a superb natural body. No tattoos, enhancements or piercings make a pleasant change. With such gorgeous soft smooth skin, she'd be mad to want to spoil it. Friendly, intelligent (excellent English), and best of all, very responsive - no lying there like a sack of spuds for this one! Maybe she was acting, but it was convincing enough to turn me on. If I wasn't so old and cynical I'd think this was the perfect punt, but even with my jaded palate it was pretty spectacular. It's just a pity more of them can't be like Nicoletta or Karina, or even half as good.

Yes she was that good I actually returned the next day and missed a regular for her. Unfortunately my shagging powers had waned somewhat the second time so it was two cim's. I thought it wasn't going to happen the second time, but she worked her socks off (metaphorically she wasn't wearing any!) to get me to come again - and she finally succeeded. I can think of many English wg's who would have given up as the clock was running down, but not Nicoletta, even if it did mean her running over time. Not only that, she was even content to talk for another 15 minutes afterwards on a range of subjects. Girls like this really know what pleasing the client is all about, and there are a number of others who could learn from their example.

Amusing incident just as I was leaving finished off a great time.

Somebody was knocking around the adjoining flat. She said he was a gay guy. 'I know he's gay' she told me 'because he comes out to look at the men leaving and shows no interest in the women.'

Whether he saw me or not I don't know - but he soon shut the door!

Finally, big thanks to the punter who recommended her!
