### The Premises:

Very up market and welcoming, in a bit of a builders estate, but safe and parking no problem, when I was shown to reception, all the other ladies there introduced themselves to me, gave me a kiss and chatted till my chosen lady was available.

### The Lady:

McKenzie is about 25 year old with short dark hair and has a Newcastle accent, very petite about 5'2" in height, and a very bonnie face.

### The Story:

We started in a jacuzzi to become frequented for about 15 minutes, with much kissing and cuddling taking place, whilst we had a good chat.

After some role play with a bit of mild spanking, we got onto the bed and shared more intimate moments with McKenzie being very agreeable to all my requests, the oral was of a high standard and soon had me nearly coming, so I asked her to stop it and to get back to more kissing and groping, then we ended with me coming on her body.

Im sure we overran our time, by 5-10 minutes, but no knocking on the door, I certainly enjoyed my time with McKenzie and look forward to seeing more of her, when she next visits these parts.
