The Premises:

in a fairly quiet part of luton near to jct 10 M1, easy parking, typical 2 up 2 down terrace house. place could do with a bit of updating but on the whole it was ok.

The Lady:

bianca quite pleasant looking with mediteranian looks, (i think she is either spanosh or brazillian) shoulder length dark hair, great figure, nice and curvy, great tits about a 36dd, and a peach of a backside.

The Story:

bianca was wearing a red lacy negligee and a black lace thong. the room was ok but to be honest i was more interested in looking at her. started with loads of kissing and plenty of eye contact and rubbing both ways, then onto the bed for a short massage, and more rubbing of her clit, she sat on my face for a bit but as time was of the essence she moved on to giving me a blow job with a bit of ball sucking thrown in, not the most wonderfull bj i have had but ok, on with the condom and on she climbed, then mish with legs pinned back, then doggy (slamming hard) i tried to get her to let me c.i.m. but she was having none of it, also no 'A' level. and she speaks hardly any english which makes things a bit hard, but all in all it was ok.
