The Lady:

Photos do not do her justice, much nicer in person. Great body and slim. Really nice personality, and makes you feel relaxed.

The Story:

Soon as she opened the door i thought WOW. Showed me to the bedroom and left until i got undressed. Started off with a nice slow and sexual massage on my back and legs with some teasing inbetween my legs. Then turned over and on with the cover for some really good oral. Her technique must be sasha patented because no one can copy it. Asked what position i liked and i said her on top, she wasnt too keen on that, shame because i love that position. Anyway opted for doggy until i got cramp in my leg (the shame). The stiffness certainly went to my leg! Then turned over to finish with a oily handjob which was the best!!! See you soon. Perhaps for the secretary look which i love?
