The Lady:

Her website pitures are fairly accurate. On this occasion she was in gold hotpants & bra. Very sexy.

The Story:

A friendly greeting, asked if I wanted a shower, drink etc. She's a great kisser of the french variety, so took my time enjoy that. After letting me explore her for a while & getting me ready, she deftly slipped a mac on for some OW. Finished off with a few positions, all of which she was happy to oblige. What with her being quite petite & looking so good in doggy I didn't last long enough to appreciate her as much as I would have liked. All in all I have to say she was great to be with & has a lot more to offer than I could experience in such a short time.
