The Story:

Wow! is all I can say, Honey is the perfect girl, she is a 10/10 babe with an incredible figure. Not only this she knows how to please a man, she performs excellent OWO and although I wasn't expected it (having read previous reports) she kisses with passion. Sex was incredible and although I've not punted for a long time she was perfect for my first time in a while. All I can say is that I am speechless at this girl, I've punted for many years and met many lovely ladies but never one as pretty or sexy as this!
