The Story:

Being by nature more of a lurker, I don't normally contribute to this forum, however I happened to come across a review of this girl (posted by ?Nik? on 27th October) which caused me to make an exception. The reason for this is that I realised I'm probably one of the few people who can measure Nicoletta's performance against that of the other girl that ?Nik? mentions in his review - Karina, the Russian who was in London for a short time in August. So, if you don't mind indulging me for a minute, I thought I would write my review of Nicoletta in the form of a comparison between her and Karina. (And yes, I appreciate this is an academic exercise, because Karina went back to St Petersburg months ago!)

The first thing to say is that, in terms of standard of service and value for money, both Karina and Nicoletta are far superior to most escorts who have been available in London in the past few years (and I should know, I've seen most of them!).

Secondly, in my humble opinion, Nicoletta is a lot better than Karina was, for the following reasons:

- 1) Nicoletta is better looking (in my opinion her photos don't do her justice)
- 2) She has got fantastic boobs - C-cup I would say, and 100% real too - whereas Karina's boobs were silicone (although strangely enough she would never admit it!)
- 3) Nicoletta is younger (at a guess I'd say she's about 21)
- 4) Karina was crazy (OK, at least she was crazy in a good way!)

5) Nicoletta's English is better than Karina's was (I wouldn't say it's perfect though) and she is also a better conversationalist

6) Karina's rate was £200 per hour. Nicoletta's is £150

7) Nicoletta's apartment is far better (it's huge, and decorated almost like a palace).

Finally, regarding the actual sex - as I said earlier, I would put both girls near the top of my list of all-time favourites, however for me Nicoletta is clearly number one. The whole experience was so sensual and natural - at the start I really enjoyed chatting, kissing and cuddling with her, then once she started taking off her clothes I suddenly realised I had a great big smile on my face, because I knew this was going to be a day to remember!

The highlight was the blowjob (without condom of course), which was so good I got her to do it twice. The 'shagging' was almost equally as good, she likes trying different positions and really gets into it (either that or she's the best actress I've ever met). Oh, and there's a big mirror by the bed, apparently she likes to watch herself while she's 'working'.

Finally, I note that in the review written by 'Nik', he said he enjoyed himself so much that he went back to see Nicoletta again the following day. I must admit that I nearly did the same myself!
