The Lady:

What a stunner! If you love coloured ladies (like me) you are in for a visual treat. Tall, slim, curvy, with a gorgeous bum, very pretty face with lovely long braided hair. Her legs go on forever and did i mention her bum? Fully shaved and great skin.

The Story:

Cindy is a little shy, but she soon warms up. Dressed in very skimpy lingerie. Firstly she gave a very sexy dance and strip tease, which had me hard as a rock in seconds. Soon she slowly undressed me and we moved to the bed and a lengthy 69 took place with Cindy on top. She really knows how to suck cock, and seemed to really enjoy receiving oral too. Sensing that i was about to explode, she moved into a really slow, sensual cowboy position and gradually ground my cock into her pelvis, again seeming to sense when I was at my peak, easing off a little, then continuing again. Eventually, when I could stand no more, her pussy clenched tightly and I gave up my resistance. After she cleaned up, we chatted for a while - she is so sweet and has a nice personality too. Be careful fellas, this one could easily break your heart and your wallet!
